

# Continuing Education

## CONTINUING EDUCATION CREDITS

2023 Summit presentations eligible for CE credit will be clearly noted in the presentation detail of the Online Agenda, and credits easily claimed through post-session evaluations. If you have questions about the certificate or credit process, please stop by the CEU desk at the conference, or contact Eileen Bates at **(951) 782-8200** or [eileen.bates@healthcareeducation.org](mailto:eileen.bates@healthcareeducation.org).

## CLAIM YOUR CE CREDITS

The 2023 Summit Mobile App will be required to claim and download your certificate. The App will be made available to all registered attendees in October.

## CONTINUING EDUCATION ACCREDITATION

The 2023 Cardiac Arrest Survival Summit is approved by the Center for Healthcare Education, Inc. for continuing education credit for EMTs, Paramedics, Nurses and Dental Professionals.

Center for Healthcare Education, Inc. is a nationally recognized provider of quality continuing education courses. The content of each session and the qualifications of each speaker have been approved by a panel of medical experts to ensure participants receive up-to-date information relevant to the practice of emergency medicine and pre-hospital care. Hour-for-hour continuing education credit for successful completion is awarded according to national regulatory agency requirements. International participants will receive an official certificate upon completion that meets and exceeds continuing education requirements established by United States EMS, Dental and Nursing certification boards.

Accreditation is provided for Nurses (CEP# 11246), EMT/Paramedics (CAEMSA# 33-0011) and Dental professionals (#RP5122) through the Center for Healthcare Education, Inc.

For questions about accreditation, contact Center for Healthcare Education at **(888) 834-8700**.
