CPR SAVES LIVES Rally & Survivor Celebration

Join us for a high-energy celebration of two key groups: first responders and sudden cardiac arrest survivors. This evening event — part festival, part interactive exhibition — gives both Summit attendees and the general public a chance to hear from SCA survivors and see lifesaving vehicles and equip.m.ent in action. Additional highlights of this family-friendly event include a lively celebration with music, awards presentations, mass CPR trainings and more!

About Citizen CPR Foundation's Cardiac Arrest Survival Summit

This multi-day Summit brings together the widest array of professionals and individuals, as well as SCA survivors and community champions interested in connecting, learning and discussing the newest insights in improving community response to SCA. Together, we can not only save more lives; we can also enhance the quality of life for survivors. Be part of the community that equips and inspires professional and citizen responders, to improve SCA outcomes and increase survival rates worldwide. CCPRF is a proud partner of the National Football League's, "The Smart Heart Sports Coalition."
